# Mission and Vision

**What is the difference between a mission and vision statement?**

Mission - what the district is about, or why it exists.

The mission of District 103 is to provide an excellent Pre-K - 8th Grade education that nurtures the academic, social, physical, and emotional development of every student in a trusting, safe environment.

Vision - what the district wants to accomplish.

All students will have the knowledge and skills necessary for their next level of learning.  
We will provide instructional and extra-curriculum programs to help students reach their highest potential.  
We will support a culture of respect among the school community.  
We will maintain fiscal stability and be good stewards of the taxpayers' dollars.  
We will expand communications among all members of the District 103 community.  
We will provide a safe and comfortable environment that is conducive to learning.
